Plutus

STAGHOUND CROSS Werribee, VIC

Well are'nt l just the 'Cutest?' My name is Plutus and I'm a gorgeous, 14 week old Staghound x who will grow to be a large to extra large boy!

I'm one chilled, laid back puppy. I live with my foster Puppa a Woldhound and my adopted brother a Jack Russell. My foster Mum adores me and tells everyone how easy I am to train.

I sit when I'm told, I don't bite and I don't jump up. I sit for my food and I'm not really fussed if I finish my dinner or not. I love my bones and happily chew away for hours on my own.

I am so quiet my foster Mum is always checking on me finding me suckling on my favourite footy in my crate or chasing those things I think they call 'bloody flies' around the backyard. I go outside to go to the toilet and the other dogs have taught me where I'm allowed to go, I learnt very quickly...
